

VOLUNTEER RECRUITMENT 2019/20

The staff and Catholic School Council (CSC) of St. Francis of Assisi are thankful for the many volunteer hours that are put into our school each year. This parent community has the ability to offer so much to the students of St. Francis by sharing interests, knowledge and experiences. Volunteering in our school is not limited to supervising classroom trips; you can donate your time on a flexible basis as it suits your schedule. ***We would love to see Grandparents too!***

Kindly return this form in your child's agenda.

Criminal Background Checks for volunteers:

Parent volunteers require a police check for vulnerable persons. A letter from the school is required stating that it is for volunteering before obtaining a police check. Please see the school secretary. If you already have one, a "declaration" must be signed.
